Hunting Retriever Club, Inc.

MEMBERSHIP APPLICATION

In North America today, there is an organization that was established to test the Hunting Retriever in a true-to-life hunting environment. This organization, the Hunting Retriever Club, Inc., was created to develop the type of testing that you, and thousands like you, have wanted for years. The Hunting Retriever Club, Inc. (HRC) has established a non-nonsense, true to life, training and testing program where gun dog owners meet, train, learn and test their dogs afield.

The HRC was formed under the auspices of the United Kennel Club, Inc. (UKC). UKC was founded in 1898 as a purebred dog registry devoted to maintaining the inherent working abilities of hunting dogs. UKC sponsors more hunting dog events than any other such organization in the world.

To become a member of the HRC, just complete the membership application below. Each membership includes a year's subscription to HUNTING RETRIEVER magazine, which includes training and information articles as well as local Club event results and a list of upcoming events of the HRC local Clubs.

Memberships are for twelve months, commencing as soon as your application is processed. When you send in this application, please enclose a check in United States funds only, made out to the H.R.C., Inc. Send the application & fees to:

WHISTLING WINGS HRC

MEMBERSHIP APPLICATION

Whistling Wings Hunting Retriever Club is a *Welcoming Non-profit Totally Volunteer Club* helping owners develop their family dogs into well-trained retrievers for hunting, home and competition.

Whistling Wings HRC was the first local club west of the Rocky Mountains to affiliate with the international Hunting Retriever Club, Inc. (HRC), and is one of the 132 HRC Clubs in 36 States and 2 Provinces affiliated with the United Kennel Club, Inc. (UKC) in Kalamazoo, MI, who carries the registry for the HRC. Established in 1898, UKC is the oldest, and second largest, "all breed dog registry" in the USA. UKC registers over 250,000 dogs and licenses 10,000 challenging, fun, family-oriented events annually.

"Conceived by Hunters for Hunters" is both the philosophy and reality of the Hunting Retriever Club, which is a family-oriented organization offering outdoor fun and fellowship to its participants. Participation by women and children is strongly encouraged. While most HRC members own retrieving breeds, participation in events is open to other versatile hunting dog breeds that can do the work. Unlike field trials, in these HRC Hunt Tests each dog is judged against a pass/fail "Hunting Standard" so everyone can root for the other person's dog.

To become a member of **Whistling Wings Hunting Retriever Club** just complete the membership application below. Memberships are for twelve months, January through December. Send the application & fees to:
