The Hunt Secretaries will assist you with changes or corrections and give you handler IDs. Please maintain Social distance and wear a mask. When you have completed the Check In process please leave the area.

Handlers meeting and the Draw:

The Handlers meeting will be conducted on Facebook live at 5:00pm.

The draw will be completed by a random draw by HRC President Glenn Dye. When the first flight is drawn it will be placed in the first site listed on the chart and we will assign the remaining flights in alphabetical order as we have done at previous Grands.

The Raffle

No Grand is complete without the Raffle. Our Sponsors have been very generous in their continued support of HRC and the Grand. We are going to have items displayed at the WMA headquarters.

Tickets will be sold Friday and Saturday by Public Relations members. Please place your name and phone number on your tickets and place them in the containers at the headquarters. The drawings will be completed Saturday evening at the conclusion of the days work. Jan McNeley will coordinate the efforts to complete this important task.

Callbacks and Black and White Ribbons

Callbacks and scores will be posted online on the Grand Facebook page and HRCentry.com

Black and White series ribbons will be available at hunt headquarters during the day from the Hunt Secretaries.
