SCRATCHES

For all scratches before the draw, please contact support@huntsecretary.com.

After the closing date, all scratches will be handled based on the Club Policy stated here. Full refunds shall be given for any scratch prior to the early entry date. The scratch after the closing of the early entry policy shall be as follows: full refund will be given for female dogs in heat, for injury, illness, or death, when certified by a veterinarian. No action will be taken until the Hunt Test Secretary receives a written request including dogs name, test(s) entered, whom to make the check payable to, address to mail refund, written vet excuse on clinic letterhead and signed by the vet. No refunds for no shows.

Female dogs in heat shall not be allowed to enter or participate in the hunt test(s). The club shall follow the standard set forth by the UKC/HRC regarding female dogs in heat with the following club revisions:

1. All females suspected of being in heat during the day of the event shall be checked on site by the club appointed committee member or on-site vet technician.
2. If a female is found to be in heat during the event, checked and verified by the appointed club committee member or on-site vet technician and PRIOR to running, the dog shall not be allowed to participate any further. All entries and fees for that dog shall be refunded.
3. If a female is found to be in heat during the event, checked and verified by the appointed club committee member or on-site vet technician and AFTER running any part of the test, the dog shall not be allowed to participate any further. All entries and fees for that dog shall be forfeited.

SWAPPED ENTRY POLICY

NO SWAPPING OF DOGS AFTER THE CLOSE DATE. Backwoods HRC does not allow dogs to be swapped. If a dog has been entered and cannot run, then that entry falls under the scratch policy. If that owner/handler wishes to enter a dog in lieu of the scratched dog they may do so, however, the new entry must have a new premium to enter along with a new entry fee. If the original entry is scratched and was entitled to a refund under the club's scratch policy, that refund may be used for the new dog's entry.

Hunting Retriever Club, Inc. MEMBERSHIP APPLICATION

In North America today, there is an organization that was established to test the hunting retriever in a true-to-life hunting environment. This organization, the Hunting Retriever Club, Inc., was created to develop the type of testing that you, and thousands like you, have wanted for years. The Hunting Retriever Club, Inc. (HRC) has established a no-nonsense, true to life, training and testing program where gun dog owners meet, train, learn and test their dogs afield.

The HRC was formed under the auspices of the United Kennel Club, Inc. (UKC). UKC was founded in 1898 as a purebred dog registry devoted to maintaining the inherent working abilities of hunting dogs. UKC sponsors more hunting dog events than any other such organization in the world.

You can renew your HRC membership or join HRC online on [UKC's website](#) by ordering the Hunting Retriever magazine. Each membership includes a subscription to the HRC magazine, which includes training and information articles as well as local Club event results and a list of upcoming events of the HRC local Clubs. You can choose a one- or two-year membership that will begin as soon as your application is processed.

If you prefer, you may use the paper application below. Please include a check or money order payable in United States funds, made out to *HRC, Inc.* or *UKC*. Send the application & fees to:
